Ms. Fordham,

I was about to contact the six tribal governments to say that they should expect to hear from you. I thought I should confirm with you first.

Per our conversation and email yesterday, please confirm to me that you are inviting all six of these tribal governments: Nondalton Tribal Council, New Koliganek Village Council, New Stuyahok Village Council, Ekwok Village Council, Curyung Tribal Council and Levelock Village Council.

I understand that that this meeting is precipitated, at least in substantial part, by the 404(c) letter that these six tribal governments sent to Mr. McClerran and Ms. Jackson, the letter of Mr. Akelkok that invites Mr. McClerran and follow-up efforts of Mr. King, and efforts of several EPA officials involved in responding to the Tribes' 404(c) letter.

So, it makes sense to invite all six tribes, rather than two.

Thanks.

Tami:

Tomorrow afternoon would work, however Billy Maines is in DC and I've
cc'd Dorothy Larson, Curyung Tribe's Tribal Administrator. I've tried
to contact Sue Flensburg at BBNA but she was out of her office today.
I've alerted both Ralph Andersen, BBNA CEO and Arla Johnson BBNA
Brownsfield Coordinator. If possible, can you send me a tentative
travel schedule - that would assist Tribes in Bristol Bay with their
travel planning efforts.
